THE "TWO CENTS"

Sam's Hope: serving individuals with developmental disabilities.

For Sam's Hope, 2017 was the start of new friendships for both Sam's Hope's volunteer staff and participants alike. Thank you to ALL who have supported us in 2017! For your prayers, for your time, for donations, for participating and for believing in our mission! We are very excited to see what God has in store for us in 2018!

In November we had our very first flapjack fundraiser at Applebees in Newton. We raised over \$1300. The wait staff from the The Stonewood Tavern in Sparta and our

very own Sam's Hope family, volunteered their time to serve at this event.

In October we spent a day at Camp Johnsonburg. Definitely a fun filled, memorable day! Lots of laughs! Lots of friendships made! We can't wait to do it again next year. Who knows, maybe we will camp there!

Our very first Paint and Pringles was a hit! Everyone had a great time. We plan on doing more of them in 2018 so come on out!
